

SCHOOL'S PURPOSE

As a ministry of Bible Baptist Church, HBCA is provided as a safe learning environment for students. Our school is only facilitating the home schooling parent with their child's education. You are still responsible for your child's education. You must have your school established with the State of North Carolina Department of Non-public Education.

Our facility allows the students to be in a class environment, around other children while still learning the curriculum at their own pace. Our church provides the facility, administration and guidance in keeping records, and assisting in education. Parents are expected to remain involved daily in their child's education. This school is open only to the families and to the children that attend BBC and like faith churches on a regular basis. If at any point the children or family ceases to attend at least two worship services each week, they would be asked to withdraw their child.

ARTICLES OF FAITH

We believe the Bible to be the only inspired, infallible, authoritative Word of God. We believe that the King James Version is the preserved word of God for English speaking people. We believe that there is one God, eternally existent in the persons of the Father, Son, and Holy Ghost. We believe in the deity of the Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death

through His shed blood on the cross, in His bodily resurrection, in His ascension to the right hand of the Father, His personal return in the rapture of the church and in power and great glory at His revelation.

We believe that, for the salvation of lost and sinful men, regeneration by the Holy Ghost is absolutely essential. We believe in the resurrection of both the saved and the lost: they that are saved unto the resurrection of life; they that are lost unto the resurrection of damnation.

We believe in the spiritual unity of believers in our Lord Jesus Christ. We believe in the present ministry of the Holy Ghost by whose indwelling the believer is enabled to live a godly life.

PREFACE

The primary purposes and objectives of HBCA are to train the student in the knowledge of God and the Christian Way of Life and to prepare the student generally for their entrance into life's vocation.

The primary responsibility of the teacher is the solemn realization that, under God, he or she is molding lives and character and is personally responsible for each student receiving a good foundation for the life ahead.

The parents must assume certain responsibilities in relation to their children. These would be in the area of providing for them the necessities of life: home, food, clothing; but most important is the spiritual and godly training in church, Sunday School, and in Christian

School. We ask that the parents consider this as a privilege and give us their complete cooperation in relation to the classroom and in being sure their child is well behaved.

It is understood that attendance at HBCA is a privilege and not a right, which privilege may be forfeited by any student who does not conform to the standards and regulations of the institution, and that we may request the withdrawal of any student at any time who, in the opinion of the Administration, does not fit into the spirit of the institution, regardless of whether or not he/she conforms to the specific rules and regulations of this Christian School.

This handbook is filled with important information regarding school policies and procedures. We suggest that parents and students review the contents together. If you have questions that remain unanswered after reading the handbook, please call or email the school office. We feel that open and clear communication between school and home is important to the success of our educational program.

ATTENDANCE

As a home school/HBCA student, the Department of Nonpublic education *suggests* 180 day rule be enforced, except in cases of extended or chronic illnesses when certified by a physician and /or absences that are due to an emergency situation approved by the Principal as excusable. At HBCA the school year, that pastor sets the start and end dates as well as the holidays.

EXCUSED ABSENCES:

1. Illness or injury that is certified by a doctor's statement
2. Death in the immediate family
3. Court or legal proceedings
4. School functions or activities

UNEXCUSED ABSENCES:

1. Willful absences/ not wanting to test or attend a function
2. Unacceptable Cause such as family vacation

When a student returns to school after being absent, he/she is required to bring a written excuse signed by the parent or guardian. A doctor's statement must be presented for a medical excuse. Students are expected to make up all missed work for any absence. In the case of a planned unexcused absence, such as a family trip,

administration must be notified in advance in order for missed assignments to be made up.

DEMERITS

Demerits are given to correct unacceptable acts or behaviors. Our school is not an institution for correction, but one of learning. If one demerit is issued, parents are asked to talk their children to prevent further infraction/s. If two or more are given in one day, the parents are asked to discipline their child and talk to them to prevent the infraction/s again. If a child receives three in one day, they will be dismissed from school for that day. The parents are asked to discipline and talk to their child to avoid further issues. Certain demerits will qualify them for corporal punishment. Parents will always be notified prior to that action. If a child does not want to be here and acts accordingly, parents will be asked to remove their child from the school. Received demerits will also disqualify any student from receiving privilege for that week, or loss of privilege. Any student that receives demerits consistently, parents will be asked to come in and counsel with the pastor.

DISCIPLINE

Discipline is necessary in a child's life. It is necessary to discipline in order to train a child efficiently. Teaching and learning are impossible without discipline. The method of discipline includes revoking of privileges for the day, extra work, and/or loss of break time. When corporal punishment is necessary,

the parent will be notified in advance. The principal administers corporal punishment. Three or more demerits in one day qualify the student for corporal punishment. If a child receives three demerits in one day, they will be sent home. A child that refuses to respond to our disciplinary measures and continues to be a disruption will be asked to withdraw.

A variety of disciplinary methods shall be utilized, which provide both positive and negative incentive. This is not a corrective institution; consequently, we ask that a child not be enrolled with the idea that he/she will be reformed. We are here to work with the home, but not to take the place of parents who have experienced difficulties fulfilling their roles.

All new students' are admitted on probation for the first two weeks.

The student must at all times conduct himself or herself in a manner becoming a lady or a gentleman. **GRIPING is not tolerated!** If your child does come home complaining about a policy or discipline, please follow this procedure.

1. Give the staff the benefit of the doubt.
2. Realize that your child's reporting is emotionally biased and may not include all the information.
3. Realize that the school has reasons for all the rules and are enforce without partiality.
4. Support the administration and call the school for all the facts.

When a child's attitude is not in accord with the schools' policies, the child will be warned, then given a demerit, if after three demerits are issued, they will be dismissed for the day. A meeting may be called between the parents and pastor to help resolve any future problems. Children that refuse to follow the policies of the school will be expelled.

High school students in particular, because of their influence on the younger children are trained to adhere to the schools philosophy and Biblically based program. Such adherence includes abstinence from smoking, use of alcoholic beverages, drugs, listening to worldly music, swearing, viewing of worldly movies and television and all other questionable activities.

Students are reminded that God expects us to be disciplined in all areas of life:

Colossians 3:20 Children, obey *your* parents in all things: for this is well pleasing unto the Lord.

Romans 13:1 Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.

Hebrews 13:17 Obey them that have the rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy, and not with grief: for that *is* unprofitable for you.

Proverbs 10:17 He *is in* the way of life that keepeth instruction: but he that refuseth reproof erreth.

Proverbs 19:18 Chasten thy son while there is hope, and let not thy soul spare for his crying.

Proverb 22:15 Foolishness *is* bound in the heart of a child; *but* the rod of correction shall drive it far from him.

HONOR ROLL

A – Honor Roll 93-100 Straight "A's"

A.C.E. curriculum is a mastery program. Every student must achieve at least 80% on a test before moving forward in a particular subject. If the student scores below 80%, administration will work with each student to help them achieve a passing grade. Completing the pace over is the last step taken for the student to retain the information.

PACES PROCEDURE

Each subject contains twelve paces. Every student is issued one pace per subject. The student then sets a goal in each subject that should be completed by the end of the school day. If they are not finished, they will be issued a homework slip that a parent is required to sign and return the following school day.

Within each pace, the student will work up to a score grid, where they will raise their Christian flag to request permission to check/score the work they have completed. If they have no mistakes they will move on to complete more of their set goal. If they have gotten anything wrong, they will sit back down, correct the problem, and raise their flag to check/score again.

Through out each pace there are checkups, which are like quizzes and at the end of each pace, there is a self-test. This prepares the students for the test and lets the teacher know if the student is ready to take the test.

When a student takes a test and passes with 80% or better, they are given a star for their progress star chart. They also receive a congratulations slip the following day during morning chapel. This is to encourage them and let the others student see the progress of their piers.

After a pace is completed, the student is issued another pace. Their test scores are recorded in the daily logbook and on their student progress report card.

PHONE CALLS/ cell phones

Students are not allowed to make phone calls unless it is an emergency. The use of personal cell phones is also prohibited unless administration allows.

PRIVILEGE

Each student can earn three levels of privilege. The levels are A, C, and E. Earning privileges allows the students to do more than other students.

Earning **(A) privilege** allows the student to check/score their work without permission. It gives them 15 minutes of computer time. They also earn one merit coin to be use in the merit store.

To earn **(A) privilege** the student must have no more than 3 demerits in the prior week. They must have enough academic stars (*received once a student passes the test in a pace*) and one Bible scripture memorized.

Earning **(C) privilege** allows the student to check/score their work without permission. It gives them 20 minutes of computer time. They can be out of their seat without permission. They also can help other students at the direction of the supervisors. They also earn two merit coins to be use in the merit store.

To earn **(C) privilege** the student must have no more than three demerits in the prior week. They must have enough academic stars (*received once a student passes the test in a pace*) and two Bible scriptures memorized. They also must complete either additional work at home that can be proven or a written report on any subject.

Honor roll students will be recognized during a Sunday Morning service with a certificate. Parents are required to sign and return the report card.
